

“UNION AND ACCORDANCE WITH THE HEART OF CHRIST.”

today we live it as "GIVING OUR LIFE FOR LOVE."

Where?

How?

When?

It doesn't matter. In any circumstance, in any place,

I can, we can, give our life for love.

Where? How? When?

NOW, TODAY, HERE

There is...I have...no better time

By ministering to the marginalized, to the unwanted

Opening the mind and heart of a child

Listening to the lonely

In the prayerful silence of the infirmary

Taking a stand with others in the face of injustice

Accompanying the vulnerable

Caring for the small and vulnerable of our common home

Sowing seeds of peace

Walking together
