

# JPIC Global Service Day

*“Do whatever he tells you.”*

John 2:5

In 2018, the Society of the Sacred Heart organized a Global Service Day in honor of Rose Philippine Duchesne. It was a concrete experience of how it is possible to create “a wave of grace around the world.”

This year we invite the Family of the Sacred Heart to participate in a

which we hope to celebrate each year on the feast of Mater Admirabilis.

Mary, who told the servers at the wedding feast in Cana to “do whatever he tells you,” continues to inspire us to do what the Sacred Heart calls us to do.

**On October 20, let us come together as artisans of hope  
and do a concrete act of JPIC in our blessed and broken world.**

On Mater’s day let us consciously and intentionally  
do something together and offer this as our contribution  
to the droplets that will create a “wave of hope around the world.”

Let us highlight the big and little ways by which we live out our JPIC imperatives to:

Wash one another’s feet  
Transform and be transformed  
Care for our common home  
Welcome people on the move

*Please send a photo of your group in action  
with a brief description of the service being done  
to [jpiclearninghub@gmail.com](mailto:jpiclearninghub@gmail.com)*

**THANK YOU!**
