

Feast of Mater Admirabilis

Sacre Coeur Nursery and Primary in Tarnów 2022

By laying flowers, bringing letters and coloring pages children and teenagers learn to come to the Blessed Mother with all that they are going through. They come to thank and ask for the intercession of the Mater Admirabilis, apologize for their sins and praise God who is our loving Father.

On October 20th and throughout October, we pray for Sacré Coeur schools, but also for peace all over the world.
