

MOVE OUR WORLD.

MOVE OUR WORLD.

The international JPIC competition for 16–20 year olds

by the Sacred Heart Sisters.

> You have 5 months to **think** of and **carry out** a solidarity project that will have a positive impact on **the people in vulnerable situations around you** or that will **help the conservation of our planet**. This project can be implemented **once** or **several times**. The project can be carried out **alone** or **with others**. You have until **21 January 2023** to register for the competition and until **21 May 2023** to report on your project in a video.

The international jury of the Sacred Heart Sisters will **assess each video**. Three projects will be selected and will **receive funding** which will help to increase the effectiveness and impact of the project.

1. I register

before 21/01/23

2. I act

during the 5 months

3. I send the video

before 21/05/23

> moveourworld.org

The jury will look at the clarity of the project, the creativity, the innovation involved, the impact, the development, and the enthusiasm committed to its success.

In a video of maximum 3 minutes, in horizontal format, the project leader(s) introduce themselves, explain their project and demonstrate the impact they hope to achieve if they receive an award.

1 300 \$ **2** 250 \$ **3** 150 \$
