

COME MADELEINE SOPHIE

Ramón Capilla, Claretian VENEZUELA

Simple woman of the people
in the warmth of the home
you felt God and Life
in the vineyard and the rosebush

WE WANT TO BE FIRE AND LIGHT
FIRE BURNING THE SAME IN
THE HEART, THE HEART,
THE HEART OF JESUS

From silence you respond
to God's call
Then the wheat ripens
and becomes bread

WE WANT TO BE ...

Incense, cross and lily
always adorn your altar,
an offering for the Church
in poverty and humility

WE WANT TO BE ...

Finally you take flight
on the day of the Ascension,
Mary and the stars
lead you to the sun

WE WANT TO BE ...

Come Madeleine Sophie
new paths to open
Walk by our side
there is so much to share

WE WANT TO BE ...

Your goal is the whole world
in an embrace of peace,
fighting for justice,
culture and equality
